It appeared that all except 12 counties

were represented.

On motion of Dr. Wm. J. Blow, of

dates back to that time that tried the

souls of democrats, the ever-memorable

year 1840.

But to the principles which control the

action of our party. Nearly all the old

issues are now settled, and we can cheer-

fully extend the right hand of fellowship to

all those who have seen the error of their

former course, and are now crowding into

our ranks. But with due deference to

their opinions, I think that the errors for

which they repent are few, while on the

contrary, they may congratulate themselves

that they have escaped unscathed by con-

tinuation with that nameless party which

now lead the opposition.

We have now but one issue presented,

the old hackneyed, hobby-horse distribu-

tion. Our brother democrats in other

States have buried it in merited oblivion;

and we, who fight the battle last, can and

will triumph by an overwhelming majority.

It is needless to speak further of princi-

ples.

Our great object in this Convention

should be to insure harmony and concord;

and for one, I pledge myself to support its

nominee, not only heartily, but enthusi-

astically. And I hope that all the mem-

bers of this Convention are willing to sac-

rifice individual preferences upon the altar

of our common party.

In conclusion, gentlemen, I ask and ex-

pect your hearty co-operation in the pre-

servation of order and harmony in our

proceedings; believing, as I do, that our

action will ensure to the benefit of the

democratic party, and of necessity, to the

whole State.

The Convention being organized, Wm.

T. Dorch, Esq., of Wayne, moved that a

committee, consisting of two from each

Congressional district, be appointed by the

respective districts, to draft resolutions for

the Convention.

On motion of Wm. A. Allen, Esq., of

Duplin, the motion was amended by sub-

stituting three for two. The resolution

was then unanimously adopted, and the

following gentlemen appointed:

1st District—Col. N. M. Long, of Hal-

ifax, J. C. Badham, Chowan, Jos. R.

Mason, Northampton.

2nd District—Dr W. J. Blow, Pitt, Col.

L. W. Humphrey, Onslow, John S. Dan-

cay, Edgecombe.

3rd District—James Fulton, New Han-

over, Wm. McL. McKay, Cumberland, Wm.

J. Houston, Duplin.

4th District—A. M. Lewis, Wake, Dr

B. L. Durham, Orange, A. J. Taylor,

Nash.

5th District—B. F. Hoover, Randolph,

R. P. Dick, Guilford, Hon. John Kerr,

Caswell.

6th District—J. H. Boyd, Rockingham,

J. M. Clement, Davie, Francis Fries, For-

sythe.

7th District—G. W. Caldwell, Meck-

lenburg, Arch'd Henderson, Rowan, Wm.

Lander, Lincoln.

'YOUNG AMERICA' CORN AND COB MILL.

MANUFACTURED BY
S. MARCH, Norfolk, Va.

THE above Mill, which so far surpassed all
others last season, has been improved, and
made stronger and better than ever, and is now
in the best carrying condition before it. It is
the mill for strength, durability and swiftness.
I annex a list of premiums it has received this
season, over the 'Little Giant,' 'Magic Mill,' 'Star
Mill,' 'Maynard's Mill,' and all others that have
come into competition with it.
First premium at the N. York State Fair.
First premium at the Ohio State Fair.
First premium at the Michigan State Fair.
First premium at the N. Carolina State Fair.
First premium at the Nashville (Tenn.) Fair.
First premium at one County Fair in N. York.
First premium at ten County Fairs in Ohio.
Trial of corn and cob mills at the North Car-
olina State Fair, October 1856.

The following table will show the time occu-
pied by each of the Mills on exhibition in grind-
ing half bushel of corn and cobs:
Young America, 4 minutes and 40 seconds.
Little Giant, 4 " 55 "
Magic Mill, 6 " "
Snyder & Co's Mill, two trials, average time,
6 minutes and 58 seconds.

Advantages of the Young America or Excel
lor Mill over all others: 1st, great strength and
durability; 2d, simplicity, throwing but one set
screw to graduate the quality of grinding, which
renders it so simple that it can be managed by
any ordinary farm hand; 3d, it will grind more
corn, or corn and cob, in the same time, and at
same quality, than any other mill in use of the
same size 4th, economy—that part of the mill
which is most liable to wear, being separate from
the main body of the machine, can be renewed
when worn out, at the small cost of \$3. Thus
the Young America or Excelior Mill, I pre-
sent the best, cheapest and most durable mill
ever offered to the Farmer. This mill is of large
size and greater capacity than any other mill ever
sold at the same price.
Price, including extra plates \$50.
I am also manufacturing Cart and Wagon
Wheels, Farm Wagons, Carts, Trucks, Drays,
Plows, Harrows, Cultivators, Corn Shellers,
and Agricultural Implements generally, and am
better prepared to furnish farmers and merchants
than any other house in the city.
Call and examine my stock and be convinced
that I am unwilling to believe that all the
men in Virginia and North Carolina prefer
to build up the North and impoverish the South.
I have also a Foundry connected with my fac-
tory, and solicit orders for Castings generally.

say more of these Fans, than that they are the
very best for cleaning wheat in the known
world. They have taken more premiums by
many, than any other, and always given the

under the circumstances, to do more than
call attention to the above, as all must be
aware of the utter impossibility of our
waiting upon them.

BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSTON,
THE founder of this celebrated Institution,
offers the most certain, speedy, and only
effectual remedy in the world for Gleet, Stric-
tures, Seminal weakness, Pains in the Loins,
Constitutional Debility, Impotency, Weakness
of the Back and Limbs, Affecting most of the
Kidneys, Palpitation of the Heart, Dropsy, Ne-
vralgia, Irritability, Disease of the Head, Throat,
Nose or Skin; and all those serious and melan-
choly Disorders arising from the destructive ha-
bits of Youth, which destroy both body and
mind. These secret and solitary practices are
more fatal to their victims than the song of the
Sirens to the mariners Ulysses, blighting their
most brilliant hopes of anticipations, rendering
marriage, &c., impossible.

URGENT MEY

especially, who have become the victims of Soli-
tary Vice, that dreadful and destructive habit,
which annually sweeps up an untimely grave
thousands of young men of the most exalted tal-
ents and brilliant intellects, who of course other-
wise have entranced listening Senators with
the thunders of eloquence, or waked to ecsta-
sy the living lyre, may at last find confidence.

Marriage.

Married persons, or Young Men contemplating
marriage, being aware of physical weakness,
organic debility, deformities, &c., should im-
mediately consult Dr. Johnston, and be restored
to perfect health.

He does not place himself under the care of Dr.
Johnston, but rather confides in his honor
as a gentleman, and confidently rely upon his
skill as a Physician.

Organic Weakness

Immediately cured and full vigor restored.
This disease is the penalty most frequently
paid by those who have become the victims of
improper indulgences. Young persons are too
apt to commit excesses from not being aware
of the dreadful consequences that may ensue.—
Now, who that understands the subject will
pretend to deny that the power of Procreation
is lost sooner by those falling into improper ha-
bits than by the prudent? Besides being de-
rived of the pleasure of healthy offspring, the
most serious and destructive symptoms to both
body and mind arise. The system of the victim
is deranged; the physical and mental powers
weakened; nervous debility, dyspepsia, palpitation
